

Aug. 13, 1968, for members not entitled to receive retired pay will be considered to include the restoration feature with attendant cost factors being applied at time of retirement. For the purpose of this paragraph, a child (other than a child described in § 48.102(e)(4)) who is at least 18 but less than 23 years of age, and is not pursuing a course of study as defined in § 48.102(e)(5), shall be considered an eligible beneficiary unless an approved application by the member pursuant to § 48.201(b) that such a child is not to be considered an eligible beneficiary is in effect (for members who retire on or after Nov. 1, 1968).

§ 48.202 Limitation on number of annuities.

When a member desires to provide both the annuity provided by Option 1 and Option 2, he may elect amounts that, in total, meet the limitations specified in § 48.201. The cost of each annuity, and the amount of each annuity shall be determined separately. A member may not elect the combination of Options 1 and 3 or Options 2 and 3 in any case. The combined amount of the annuities may not be more than 50 per centum nor less than 12½ per centum of his retired pay. In no case may less than a \$25 per month combined annuity be provided.

§ 48.203 Election of options.

(a) A member who has completed less than 19 years of service as defined in § 48.102(o) may elect to receive a reduced amount of retired pay in order to provide one or more of the annuities as specified in §§ 48.201 and 48.202, payable after his death while entitled to retired pay to or on behalf of his surviving widow, child, or children. To be effective, the election by such a member must be dated, signed, witnessed, and delivered to appropriate service officials, or postmarked not later than midnight on the day in which he completes 19 years of service. Such an election will become effective immediately upon subsequent retirement. The latest election, change, or revocation made in accordance with this subsection will, if otherwise valid, be the effective election, unless superseded by a change as

provided in paragraph (b) of this section.

(b) Except as provided in paragraph (c) of this section, a member who fails or declines to make an election before completion of 19 years of service may make an election after that time. However, unless the election is made at least 2 years prior to the date the member becomes entitled to receive retired pay, it will not be effective. The same applies to subsequent changes or revocations made prior to retirement.

(c) If an election, revocation, or change was made prior to August 13, 1968, the 19-year and 2-year provisions are automatically in effect on August 13, 1968, for members who were not entitled to retired pay on such date, unless the member applies under § 48.604(d) to remain under the provisions of the law prior to August 13, 1968. In this case the "18 years of service" and "3 years prior to receipt of retired pay" rules will apply.

(d) A member retired for physical disability on or after November 1, 1968 who is awarded retired pay prior to completion of 19 years of service may make an election which is subject to the restrictions set forth in § 48.507. The election by such member shall be made before the first day for which he is entitled to retired pay. Elections made under this paragraph prior to November 1, 1968, must be made by the member retiring for physical disability prior to completing 18 years.

(e) If, because of military operations, a member is assigned to an isolated station, or is missing, interned in a neutral country, captured by a hostile force, or beleaguered or besieged, and for that reason is unable to make an election before completing 19 years of service, he may make the election within 1 year after he ceases to be assigned to that station or returns to the jurisdiction of his service as the case may be, and such election shall become effective immediately upon subsequent retirement.

(f) A member to whom retired pay is granted retroactively, and who is otherwise eligible to make an election, may make the election within 90 days after receiving notice that such pay has been granted him.

(g) Whenever a member is determined to be mentally incompetent by medical officers of the uniformed services or of the Veterans Administration, or is adjudged mentally incompetent by a court of competent jurisdiction and because of such mental incompetency is incapable of making any election within the time limitations prescribed by the Plan, the Secretary of the Department concerned may make the appropriate election on behalf of such member upon request of the spouse, or if there be no spouse, by or on behalf of the child or children of such member. If such member is subsequently determined to be mentally competent by the Veterans Administration or a court of competent jurisdiction, he may, within 180 days after such determination or judgment, change or revoke the election made on his behalf. In such a case, the change or revocation will be effective on the date of the member's request for such change or revocation. Deductions previously made shall not be refunded.

(h) All elections on file on August 13, 1968, for members not entitled to receive retired pay shall be subject to the provisions of this section unless the member makes the application specified in § 48.604(d).

(i) A person who was a former member of the armed forces on November 1, 1953, and who is granted retired pay after that date, may, at the time he is granted that pay, make an election as provided in § 48.201.

§ 48.204 Change or revocation of election.

(a) A change of election is a change in the amount of the annuity or annuities under any option, or a change in any option or options selected. A revocation is a cancellation of a previous election and constitutes a withdrawal from coverage under the Plan.

(b) A member may change or revoke his election as often as he desires prior to the completion of 19 years of service. Such a change or revocation must be dated, signed, witnessed, and delivered to appropriate service officials, or postmarked not later than midnight on the day in which the member completes 19 years of service. The latest election, change, or revocation which is sub-

mitted in accordance with this subsection will be effective at retirement.

(c) A member who desires to make an election or change or revoke his election after he has completed 19 years of service may do so prior to his retirement. However, such an election, change or revocation will be effective only if at least 2 years elapse between the date of the election, change, or revocation and the date of eligibility to receive retired pay.

(d) A revocation will not prohibit the filing of a new election at a later date which will become valid under applicable validation provisions.

(e) A member may, on or after November 1, 1968, at any time prior to his retirement, change or revoke his election (provided the change does not increase the amount of the annuity elected) to reflect a change in the marital or dependency status of the member or his family caused by death, divorce, annulment, remarriage, or acquisition of a child, if such change or revocation is made within 2 years of such change in status.

(f) Notification of a change in family status is not a change of election.

(g) All changes and revocations on file on August 13, 1968, for members not entitled to retired pay shall be subject to the provisions of this section unless the member makes the application specified in § 48.604(d).
